Local authors visit St. Laurence's!

We are trying to develop 'greedy' readers who take inspiration and creativity from what they read and use it in their writing, as a lot of the vocabulary and ideas children use comes from what they read. This week we have had a visit from local authors Liz Hyder and Jean Aitken who presented a fantastic 'constellation' assembly and completed workshops with KS2. The children were challenged to use their imagination and think about the stories behind the stars. When you look at the stars what do you see, if you arrived on a new planet what would it be like? We will be making a display of the children's stories and ideas in our library over the next few weeks.

Value for this term Trust

Trust is the very essence of faith; trust in the God who is trustworthy.

Psalm 91:2

I will say of the LORD, 'He is my refuge and my fortress, my God, in whom I trust.'

Trust is the very essence of faith; trust in the God who is trustworthy.

'You don't have to trust me.....as long as you can persuade me to trust you'

Humphrey Bogart

Nursery News

In nursery this week we have been talking about bonfire night and fireworks. We have created an enormous firework picture using paint, glitter, pipe cleaners and tissue paper. We have listened to firework music and then created our own firework music using instruments. During forest schools we read the story 'Room on a Broom' and made our own brooms using sticks. We then swept the leaves up from the ground before running through them all!

Within the classroom we have had an extension on our role play home corner which we have spent a long time decorating using wall paper and tape! It's beginning to look wonderful!
