Alice the Musical

The KS2 show on Wednesday evening was fabulous. The children excelled themselves during the performance, and the staff were very proud of them all. The children rose to the occasion and showed us all what a very talented bunch of children they all are. It would be unfair to single out individual performances as Year 6 excelled themselves, bringing wonderland to life with their fantastic acting, beautiful singing and fabulous costumes. They were supported by classes 3, 4 and 5 who added to the magical scenes as singing oysters, playing cards and 'Tussocks'. Once again a huge thank you to everyone involved!

Ludlow in Bloom

The winners of the 'Dress the Dolly' competition were: 1st Domonic Davies - Reception
2nd Lola Griffiths – Year 1

If pupils have any questions they will get chance to go through them with Mrs Parkes on Monday.

Little Treasure's Nursery

We have had another fantastic week and the children have continued their learning about under the sea. We have had such fantastic weather that the children have been focussed on our ice cream parlour, we have tried to make three different types. We have made orange and apple flavoured ice lollies which the children loved in Forest school.

We found a chocolate, banana and yoghurt flavoured ice cream, the children did not enjoy this as much. Some children loved it and wanted to eat everyone else's. We are very much looking forward to this afternoon when we can try the crunchie flavoured ice cream as this is definitely Mrs Caine and Mrs James' favourite.

This week we have also enjoyed another wonderful session with Bym, where the children were learning about Hawaiian dancing, we wore garlands, played the drums and even did the limbo.

The children have independently developed their play with doctors and hospitals and have thoroughly enjoyed taking on roles and seeing how many bandages they can get on each patient

Reception class what a wonderful week!

You presented a lovely class assembly sharing some of the amazing things you have done this year and showing how much you have all grown.

We have been limbo dancing and Hula dancing with Bym and have finished the week off with a fun filled Pirate day with treasure hunts, map making digging for treasure, building a pirate ship and not forgetting to Walk The Plank!!!!
