Our value this term is

Compassion

'Compassion' and 'sympathy' have much in common and both are stronger in meaning than simply 'feeling sorry for' someone.

1 Peter 3:8

Finally, all of you, live in harmony with one another; be sympathetic, love as brothers, be compassionate and humble.

'Love and compassion are necessities not luxuries. Without them humanity cannot survive'.

Nursery

This week we have been continuing our learning about the Arctic, the children have been exploring mixing colours to get different shades of blue for the Arctic, they have been selecting resources to try and make the waves.

The children have all enjoyed a forest school session and we have been lucky to see the sunshine, we have been hunting for animal pictures and sorting them into animals that live in the woods and animals that live in the Arctic. We have been building our muscles in our arms digging over the beds in our garden. We took the magnifying glasses to forest school and we were lucky enough to find some worms, slugs and snails under some stones. The children found some eggs when using their magnifying glasses.
