

ST. LAURENCE'S C.E. PRIMARY SCHOOL

Friday 26th May 2017

Kwik Cricket 'DOUBLE'

A fantastic week for our cricket teams:

A team boys – tournament winners

B team Boys – 4th place out of 9

Girls team – tournament winners

This is the first time we will be taking both our girls and boys team to the county finals.

Special mention goes to Cam. W. for receiving the 'Player of the Tournament' from the ECB coach.

Well done to everyone especially our captains – Hamish Jardine, Millie Metzger and Edward Reavill for leading the teams with maturity. I am so proud!

Miss Lee

Bumble Bees

You may be aware that we currently have a bumble bee's nest above the door of the nursery. We have consulted the local pest control who have advised us that they are white tailed bumble bees and harmless. We cannot do anything with them until they have finished nesting.

Events in Manchester this week will have affected us all in different ways, and our thoughts are with the families who have suffered as a result of such tragic circumstances.

Yesterday at St. Laurence's we joined with many thousands of other people, and held a minutes silence as an act of respect to all those involved.

Today, Mr Matthews talked about the event during assembly, not only reminding the children about the sadness and futility of this act of violence but also that as a Church of England School we need to show compassion and tolerance at all times towards others.

A little treat after all Year 2's hard work this week doing SAT's We are very proud of you.

Our value this term

Thankfulness

Thankfulness has always been at the centre of the life and worship of God's people. Under the Law of Moses, there were not only sacrifices for forgiveness, there were 'thanks offerings' as well.

One of them, when he saw he was healed, came back, praising God in a loud voice. He threw himself at Jesus' feet and thanked him – and he was a Samaritan.

Luke 17:15-16

'When you practice gratefulness, there is a sense of respect towards others.'

Dalai Lama

Thank you to everyone who supported our sponsored bounce and to all the fantastic parents who helped.

We estimate that we bounced about 15,000 times.

Congratulations to the following children who excelled themselves by bouncing the most.

Little Treasure's Nursery

This week we have enjoyed the beautiful weather and have our fingers crossed that it stays next week for half term.

We have enjoyed planting our beans and look forward to seeing them grow. The children have all been telling us how they need to make sure that we water them lots because it has been so hot. We have also been looking at our strawberry plant and can't believe how many are growing on it, we are watching and waiting for these to ripen.

This week we have continued our number track games and have been using dice, the children are beginning to recognise the patterns of the dice without having to count the dots, if you have any track games at home I'm sure the children would love to show you the skills they have been learning.

What a beautiful morning we had at forest school, the children enjoyed some milkshake. We have extended our mud kitchen and have

now got a pretend cooker that the children can use, they have all loved our new pots and pans that have been donated. If anybody at home has got any old utensils and small spades that they don't use, we would be very grateful if you could donate these to us.

We have also been making weaving boards, this has tested our fine motor control and found natural objects to weave.

Please don't forget to like our Little Treasure's Facebook page where you can find out what we have been up to.

Year 3

On Wednesday, Class 3 took part in an Ancient Egypt workshop. They handled replica and genuine Ancient Egyptian artefacts and had a go at being Egyptian scribes. The highlight was dressing up as different Egyptian characters and finding out about the mummification process. (There was much groaning as the intestines were removed!) Luckily, Wilfred's heart balanced with the feather and he was able to go into the afterlife! A fun and informative morning was had by all.
