

# ST. LAURENCE'S C.E. PRIMARY SCHOOL

Friday 30th June 2017

## News

The end of term approaches fast, and next week the majority of our Y6 pupils will be attending Ludlow School for their two induction days. We hope they will enjoy this introduction to secondary school....and we hope none of them get lost!! Other members of the class have attended their new school over the last two weeks: Lacon Childe, Hereford Cathedral School and Church Stretton School.

We received a lovely letter from the Assembly Rooms this week (scroll down to see a copy of it) in which they complimented the children in Y5 and Y6 on their behaviour, and attitude when they went to watch the film 'Felix'. It is always very uplifting when there are positive comments about the children and the school. Behaviour is very good in school and we are lucky to have such lovely children in all of our classes.

Mrs D'Albert Moss also received a very complimentary letter from a parent about a recent 'Forest School' school session.

On Wednesday we enjoyed Year 4's SMART class assembly and parents and children were reminded of the need for online safety and how to stay safe. The letters SMART stand for

Safety - stay safe when using the internet

Meet - do not agree to meet people who you do not know

Accept - do not accept people as friends if you don't know who they are

Reliable - only use reliable websites

Tell - tell a trusted adult if there is a problem or something has upset you

I would like to thank Mrs Clent (Dana and Charlie's mum), for her help cataloguing our reading books. She has done a great job so far. If any other parents can offer us an hour or two to come and help we would be very grateful; there are still quite a few books to put on our system before the end of term. Please let a member of staff know if you can help.

Unfortunately the weather is rather unsettled at the moment so please could we ask you to make sure your children have a suitable rain coat in their bags each day.

Fidget Spinners

I know these are all the rage and we haven't banned them from school....yet..... but one or two of the spinners which I have seen this week have **very** sharp pointed blades - they probably wouldn't be allowed on a plane as they would be considered dangerous implements! In the interests of safety, please can parents help us out here and make sure that unsuitable spinners do not arrive in school. Of course, the spinners should not be seen during lesson time.

Thank you too, to the people who have taken the time to complete the school survey; the number of parents filling it in has continued to rise this week; ideally we would like each family to complete it once. The comments so far are predominantly very positive - so thank you for your support. Several people have left some very helpful comments and suggestions, and we will respond to these during the next academic year.

Have an enjoyable weekend

Kate Gilford

### Year 4 Assembly

Year 4 presented a brilliant assembly on staying safe on the internet. They were very confident and got the message across well. Our SUPERSMART characters were amazing! Thank you to all the parents who attended.

### Stepping Out

This week Year 3 and Year 4 also completed their stepping out road safety assessment. They all did well and their behaviour was excellent. Well done!

### Friends of St. Laurence's

Don't forget Mad Hair and Crazy Socks day next Friday 7th July in exchange for your rainbow tombola prizes.

Nursery  Red YR & Y1 Black/white  
Y2 & Y3  Orange/yellow Y4 & Y5 Purple/pink

Also, raffle tickets are now on sale for £1 each .... there are lots of amazing prizes from The Assembly Rooms, Teme Leisure Spa, Pizza Ten, Bensons, Quintessential Beauty and Harp Lane Deli plus many more. Please support us by selling as many tickets as you can.

**Summer Fete - Friday 14<sup>th</sup> July, 5 - 7.30pm**

## Happy Birthday

June: Eva Cassidy, Oliver Cassidy,  
Freya Sampson, Arlo Porteous &  
Chloe Williams

### Little Treasure's Nursery

This week we have started our new topic about under the sea, the children have been finding out about what creatures live under the sea. We have all enjoyed watching video clips of under the sea and we have been looking at all the wonderful colours and we have tried to recreate this in our role play corner. The children have all been enjoying making animals that live under the sea and we were really impressed with the turtle that was made by Eliza.

We have had a wonderful time at forest school and we were lucky to avoid most of the showers, the second group arrived to find that Mrs Caine wasn't there, we had to follow the clues to find Mrs Caine and her group, and they had made some arrows for us to follow. The children wanted to make a new den and worked hard to measure and compare stick sizes to make sure that the den stayed up. We couldn't fit all the children in the den but we did fit Mrs James in it.

We have also been thinking about our ice cream parlour outside and the children have made four different coloured playdoh's to be our ice cream.

**We look forward to seeing all of you for our physical fun session next Thursday at 9am, all children are welcome to come even if it not your session.**

**Listen out to Sunshine Radio ( 855AM) for our new radio advert !**

**Clubs will run up to and including 14<sup>th</sup> July.  
There will be NO clubs during the last week.**

Club	Age group	Day 3.30 – 4.30pm	Teacher
Rounders	Y3 & Y4	Monday	Miss Pick & Mrs Mintoft
Minecraft	Y5 & Y6	Monday	Mrs Wall
Orchestra	KS2	Tuesday	Mrs Kirkland
