

RESPONSIBILITY

Our value this term has been responsibility. We have talked about all of the different wonderful things that we can do and how God made us all unique to achieve our own challenges. We have thought about how we can take responsibility in our learning at home and at school and how many more things we can learn when we take responsibility. Our reception class have thought hard about our quote from the Colossians and we've made sure when taking responsibility for our learning that we are all enjoying doing so.

Taking responsibility for our own safety when cooking pancakes at forest school.

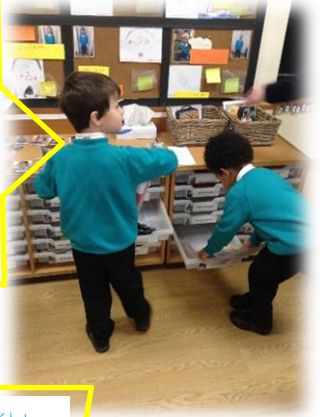

We are responsible for using the iPad's safely and taking it in turns to complete our phonics game. We have to ensure that the iPad's are returned as we found them

THE MOMENT YOU TAKE RESPONSIBILITY FOR EVERYTHING IN YOUR LIFE IS THE MOMENT YOU CAN CHANGE ANYTHING IN YOUR LIFE.

-HAL ELROD

We are responsible for putting our books away.

We always hand out the fruit with smiles on our faces.

We are responsible for hanging up our coats and taking our dinner numbers to the office. We always give the office ladies a smile.

A Bible verse on Responsibility

"Work hard and cheerfully at whatever you do."

(Colossians 3:23)
