

RESPONSIBILITY

Our value this half term has been responsibility. In Year 1 we try to be very responsible in lots of different ways. Here are some of the ways we are responsible in our Classroom.

It is Oscar's responsibility to make sure all the locker doors are shut so we don't bump into them.

Lola was given responsibility for giving out the books on her table.

Sophia took responsibility for giving out the fruit.

Theo and Dominic took responsibility for tidying up the bookcase.

It is Max's responsibility to make sure the pencils are sharpened.

Josh was given responsibility for giving out our drinks bottles.
