

*In Class 2 we have been focusing on our value, perseverance.*

*Keeping going, trying and trying to help ourselves make progress and become better is what perseverance is all about.*

*We are learning about sticking at something even when we want to stop or give up... Excellent effort again, Sid. Keep going!*

*Trying and trying, practicing and practicing makes perfect. It is worth it!*

*Wow Khloee, what great spellings... You persevered and kept going and certainly did not give up.*

*Helping each other to master skills is kind.*

*We can achieve with something we have been practicing for ages though persevering and having a little help from our friends.*

*The difference between try and triumph is a bit of umph!*
