## Morning Drop off

Just a gentle reminder that parents should not be coming on to the playground or into the class rooms first thing in the morning. Messages can be passed through the teaching assistants on the gates or if you would like to make an appointment or hand over medicine you may visit the school office via the main entrance to do so.

## Building Progress:

You may have noticed that more progress has been made with regard to the building of the extension. However due to the cold weather earlier on this term and the rain before Christmas we are now looking at a completion date of the end of May.

## Tag Rugby 9th February Tournament

Before the game, we all felt nervous. We were going to play Bishop's Castle - a very competitive team. Lewis scored the first try by weaving in and out the players of Bishop's Castle like a snake. After eight more tries, we won. 10-1 to us.

After that, we played St Lawrence Church Stretton. We won! Leo fantastically scored one, while Lola, Ida and Lulah showed great defensive work. 4-3 to us.

The third game was played against Hillstone. It was a tight match - 3-2. Lewis scored one try. Oliver and Lacey were great with shadowing the other team.

By then, we had already won the whole tournament. However, there was one other game to play: the finals. We were up against St Lawrence Church Stretton once again, with a referee that once was in that school. We were all so happy and joyful, but we didn't forget to congratulate the other team as well.

They were very kind. So, we went up to see the tournament total; we collected our golden medals and went home on the minibus with shining smiles on our faces.

## Headlice

A delicate subject, but we have been asked if we can send out a message out regarding head lice, there are signs that we may have a possible outbreak. Could we ask that parents check their child as soon as possible. If your child is infested you can get a treatment from the local chemist. There is no reason for your child to miss time from school. You will need to check other members of your family and you need to re-treat after a number of days as the eggs, which were not killed, will have hatched that way it will prevent them re-occurring.

## KS1 –VIP's

The children in 'Tiger team' are this terms VIP's in KS1. If your child is in snakes then they are able to come to school on **Friday February 17th** in their own clothes.

As winners they will treated like VIP's with special seats in the classroom, extra play time and seats at the top table in the lunch hall.
