

English

In Spring 1 our writing will be based on **'The Lion inside'** by Rachel Bright. They will do a range of writing including fact files, descriptions and their own story.

In Spring 2 we will be looking at **'The Curious Case of the Missing Mammoth'** by Ellie Hattie and James Mountford.

Maths

Shape— Recognise, compose, decompose and manipulate 2D and 3D shapes.

Numbers 0—10—Recognising wholes and parts, odd and even numbers, partitioning numbers.

Science

Materials— What are our toys made from? Investigation into the best materials.

Wonderful Weather— Looking at different types of weather, dangerous weather and making weather forecasts.

RE

Who is Jewish and how do they live?

- What is special to Jewish people?
- How and what do they celebrate?
- What is Shabbat?

Spring term

Year 1

Art

Line

Using line to create pictures. Looking at different types of lines. Art by Paul Klee and Miro.

DT

Building Vehicles

Children will make their own moving vehicles.

Geography

Wonderful Weather

We will be carrying out an investigation into rainfall and temperature across the spring term. Children will be tracking and recording the weather daily to make comparisons at the end of term.

PSHE/RSE

Living in the wider world—rules, how we care for people, different jobs.

Philosophy for Children based around 'Zoo' by Anthony Browne.

PE

Gymnastics—beginning to use apparatus.

Different types of rolls.

Different way of travelling.

Ball Skills—Throwing and catching.

Bouncing, rolling, over arm and under arm throws.

Computing

Online safety. Exploring and creating maze games using arrows.

Creating an animated story.

Music

Ian Bennet will continue to teach music during the first half term.
