## Maintenance Repairs

We are aware that there are some loose slabs on the path that leads past the school bike shed. We anticipate that these repairs will be completed over the half term break. In the meantime, we advise parents and carers to exercise caution when using the path or alternatively, consider using the Friars Walk gate in the interim.

We are also working hard to contact the maintenance company responsible for the path from the car park to the school site. The company responsible for this has recently changed hands and we are working hard to ensure that the loose slabs there are repaired. As a school, we are not able to complete these repairs ourselves as it is private property

## Athletics Team

Our Year Five and Six girls' athletics team too part in a range of track and field events this week at Church Stretton and made us incredibly proud. The girls worked extremely hard, showed great teamwork and delivered some fantastic performances across all events. In a very close competition, we were just pipped to the post and finished an impressive second place. Well done girls – your grit, determination and positive attitude were outstanding.
