Please could we remind parents to telephone or email the school **before 9am** to notify us of any absence. admin@st-laurenceprimary.com 01584 872766. If we do not hear from you children will be marked as unauthorised.

This week, the children in the juniors have enjoyed some demonstrations from teachers working for the Shropshire Music Service, who played a wide variety of musical instruments. Learning to play a musical instrument is a wonderful experience that helps children to develop cognitively, teaches them discipline and provides them with a skill that they will get enormous pleasure from for life.

Hopefully some of them have been inspired to learn how to play on of these instruments. If you are interested please call us (or contact the music service directly) and we will help you to set this up.

Easter Raffle

Thank you to everyone who took part in this years Easter Raffle! We have been surrounded by masses of easter chocolate for the last few weeks and have managed to put together many lovely prizes which we hope the winners will enjoy!

Year 3 and 4 led our Easter Service 'The Three Trees' in St Laurence's Church on Wednesday. The story was very touching with a beautiful meaning which we hope you enjoyed.

The performance was spectacular, we were all very impressed with how clearly and passionately the children sang and spoke. They should all be very proud of themselves.

On Tuesday some Y5 & Y6 Children took part in the South Shropshire Netball. The Rugby team came joint 2nd and the Netball team 4th. The competition was fierce and the standard was incredibly high so everyone is very pleased with the result!

TEACHING MUSIC - CHANGING LIVES

Shropshire Music Service is a non-profit organisation employing more than 40 highly skilled, professional music teachers. We visit schools around the county to deliver instrumental lessons, curriculum support, workshops, performances and more.

We deliver consistently excellent teaching, whilst ensuring that financial circumstances are not a barrier to music education. We also ensure that young people have access to performance opportunities and group music making, either in their school or the local community.

Our teachers work within experienced teams, where learning resources are developed to reflect the changing needs of students. Safeguarding of children is a priority and all our teachers benefit from regular training in several key areas. Teachers are subject to enhanced DBS checks, suitability to work checks, routine monitoring, and performance management.

Students may be taught individually or in small groups, and lessons usually take place in school during the normal day. Timetables are monitored to reduce the impact this may have on core subjects. We teach most instruments and have a range of equipment for hire. We are also happy to advise parents when buying an instrument, and we work with a number of specialist, local retailers.
