Parent & Carer Questionnaire from Mr Grant

As I begin my first term as Headteacher at St Laurence, I'd really value hearing your views about our school. I've put together a short questionnaire to find out what you value about St Laurence, what you think we do well and where we could continue to develop.

It's anonymous, takes around five minutes, and I'd be very grateful if you could take the time to complete it.

Our Year 5's and 6's had a wonderful morning at Ludlow food festival. We took part in a workshop about genetically modified seeds, completed a slow food trail and even got to see Mr Dean set on fire!

Thank you to Ludlow Food Festival for inviting us again!

Dear Parents/Carers,

Please find the **Club Letter** attached, which includes a list of the clubs available this term.

Clubs will need to be booked through the **Teachers2Parents app**, using the same process as booking school dinners. They will appear under the payments tab, please select the clubs you wish to book and continue to payment.

Clubs will be available to book online from 4.30pm Thursday 10th September.

Please note: Payment secures your child's place on the club. Once a club is full, the payment option will be removed and the club will no longer be available to book.

We hope your child enjoys taking part in the clubs on offer this term.

Kind regards,

St Laurence's Primary School

After School Clubs for your child are booked through Teacher2Parents on school money

Each club is a set price and will be preloaded on to the School Money app with limited spaces – you will be notified when these are going live. When booking your child on to their preferred club payment will be needed to secure their place through the app at the time of booking. Once all spaces have been allocated for a club the option will no longer be available on the app so you will be able to see when clubs have been filled.

- **we are unable to reserve places in advance.** Please note, you will be unable to book your child on to any new clubs until previous club arrears have been settled.
- **Payments are non-refundable.**

Clubs will run from Monday 14th September– Thursday 10th December Please note the dates for each of the clubs as they do vary.

We are aware that some parents are unable to access School Money to book dinners, we apologise for this inconvenience at the busy start of term!

May we please ask that you download the Teachers2Parents App and access it through this log in (it will be exactly the same details).

We are in the process of updating our Teachers2Parents System to make it more efficient for parents. Once we have finalised this change, all correspondence will be through this App which should make everything much more simple to access.

Thank you for your patience during this transition – as always, if you have any problems booking dinners please don't hesitate to contact the office and we can book your child's meal on the day in the meantime.
